President's Letter

I am really excited about all the quilting projects I have lined up to do! I'm in the midst of a nursery project for my second grandchild who is due on Halloween and have a quilt for my son in the piecing stage. I also have a shopping bag full of projects waiting for me and two quilt tops waiting to be sandwiched and quilted. Why I am so excited about quilting? I and several other PQG members attended the Ricky Tims Super Quilt Seminar in Asheville September 15 through 17. It was fantastic! We learned so much in the way of techniques and have many ideas for new quilts that we want to try. There just isn't enough time in a day to do all I want to do!

I hope many of you are excited about quilting too and are busy turning out new projects. It will soon be time to prepare your quilt show entry forms, so don't delay. Our quilt show committee has begun meeting and is preparing for the show. Boutique and silent auction items are being accepted. Details about the quilt show can be found in this newsletter.

Another very active area within our guild is Community Service. There are two more bees before we distribute quilts in early December. Come out to a bee meeting (third Tuesday of the month at QPS) or pick up a kit and work on it at home. We would also like your support for a Thread Drive that will take place at our October meeting. See the Community Service column for details.

I hope to see many of you at October's guild meeting on October 20. Our speaker, Julie Lambert, will present a Freehand Quilting trunk show.

Community Service Thread Drive

Please Help Us! We are running low on new-er, quality, machine-quilting thread to use for our community service projects. So, at the next Guild meeting we will have a basket by the door and be collecting any thread that you would like to donate. **To make this a little more fun and to thank you for your donation, Diane and Linda decided to provide an incentive.** We will give you an extra door-prize ticket for each spool of thread that you bring. To up-the-ante a little more, Linda will add 3 Fat quarters to the normal 2 door-prize gifts and therefore create 5 chances to win. So please consider donating! We really need the following colors: white, beige, red, pink, dark blue, light blue and black.

We had a really great turn out for the September Community Service Bee and finished a lot of quilts. I'd like to extend a **BIG THANK YOU** to all that came to the bee; all that donated fabric; all that completed quilts at home and brought them in at the Guild meeting or to QPS. At the end of the day we had 35 more quilts than we did in August.

We have only 2 more Bees left until it is time to donate the quilts. I'd like to have about 50 more quilts. If you have CS quilts at home, please finish them and bring them in at the next Guild meeting. If you want a project, I'll be bringing quilt kits to the meeting or you can call me and I'll meet with you to give you a kit. (843-686-4288)

Our next Bee is on Tuesday, October 17th at QPS. As always bring your machine or just yourself. We'll start at 8:30 and close at 4:00 but you are welcome to come and go as your schedule permits. See you there!
