

# PALMETTO QUILT GUILD

September 2011

[www.palmettoquiltguild.org](http://www.palmettoquiltguild.org)

## President's Letter

It's hard to believe that the summer is nearly over. Although with the hot humid weather we've had, I believe that most everyone is ready for the cooler temperatures that autumn will bring. With the end of summer, some of our guild members will begin returning to the island and we hope to see them at our fall guild meetings. We have speakers and workshops planned for our September and October meetings and our holiday luncheon will take place in November. You can find details on the programs in this newsletter.

Activities in preparation for next year's quilt show will begin gathering momentum this fall and I hope many of you will be involved. While committee chairmen have been identified, many of them will be looking for assistance. Please ask where you can help and don't forget to turn in your prize tickets and money. I hope you are finishing quilts to enter in the show as well.

I hope everyone had a pleasant summer and is reenergized for our fall activities.

*Diane*

## Quilt Show Update

Dear Ladies:

First, Please try and get your ticket money in at the September meeting so Lona can get her books in order.

Second, I would like to get some feedback from you on the idea of having a children's category in the show. Does anyone have any children or grand-kids that make quilts, maybe they would like to see them in the show. They would have to join the guild just the same as we do, in order to be in the show. Please let me know if anyone is interested in this.

Third. We will not have an Education section this year. Instead we will be having an AQS certified Quilt Appraiser on hand both days. She charges \$50.00 per quilt and 10 percent goes back to the guild. We will set up appointments for her during the day.

Also, it is now time to think about items you wish to make or donate to the Boutique or Silent Auction. Remember, you must donate one item to Boutique for every quilt you put in the show. All Boutique items go to either Eileen Joyce, Jill Bender or Bonnie Finch. All item for Silent Auction go to either Barbara Jaques or Rosemary Smith.

## KATHIE ALYCE

Kathie Alyce is an award-winning contemporary quiltmaker who has been working with fabric for as long as she can remember. Her earliest memories of handwork go back to around the age of seven or eight when she began doing embroidery work. She continued to create all her life, moving from stitchery to drawing and art classes in her youth. She went on to learn all the traditional craft and sewing arts including dressmaking, knitting, weaving, and dyeing, along with working in charcoals and pastels. In 1985, she moved on to traditional quilting. With that as her launching pad, she went on to create her own work with a bold, contemporary use of fabric and color.

Kathie found herself in fabric. It was the perfect combination of her history in crafts and the opportunity to express her emotions in art. Modern day quilting offered the chance to create and be artistic with fabric once the basics of construction were learned.

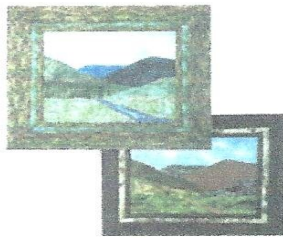

Now you can find her teaching, lecturing, designing curved templates, and publishing patterns. In addition, Kathie is featured online at [www.quilterstv.com](http://www.quilterstv.com) in two video segments, "FFB Template Quilts" and "More with Kathie Alyce's Templates."

You can learn more about Kathie on her website, [www.waterfallquilts.com](http://www.waterfallquilts.com) or contact her directly at [alyce@waterfallquilts.com](mailto:alyce@waterfallquilts.com) to purchase the FFB template.
